Notice that the Lift Ticket did not change price after the promo code was added, just the rental.

Once you select “Check Out”, it will take you to this page:

IMPORTANT: You must create a Mt. Bachelor account in order to check out and sign your waiver. If you do not sign a waiver, your lift ticket will not be activated.

Once you create your account, you will see this page:

Select your group members (in most cases, it will only be you), and hit continue. Then, select if you need pass media (your physical lift ticket). If you have been to Mt. Bachelor before, you can use old media and just reload it.

The next page will ask you personalized questions (height/weight/ability/etc) about your rentals (if you have any).

It will also ask you to sign the Mt. Bachelor Waiver 22/23:

	Sign Waivers
Mt. Bachelor Waiver 22/23	
SIGN	

IF YOU HAVE RENTALS:

The next page will ask for your preferred pickup location, Mountain Gateway or Sunrise Lodge.

Mountain Gateway is located in West Village by the main parking lot and the Pine Marten Lift, Red Chair Lift, and Little Pine Lift. There is more advanced terrain on this side of the mountain, with the exception of the starter hill at Little Pine. There are no green runs from Pine Marten Lift back down to the base of West Village. If you are intermediate-advanced, this is a good location to pick up your rentals.

Sunrise Lodge is located at the base of the Sunrise Lift, as well as the Start Park and Alpenglowlift. If you have never skied or are very new to skiing, this is a good location to pick up your rentals.

LAST STEP:

Lastly, you will reach the payment screen with a chance to review your purchases. Once you have confirmed your purchase, you will receive an email with a barcode/QR code. You can utilize this code to print your Pass Media (lift ticket) at any kiosk in Mountain Gateway or Sunrise Lodge, or go to a lift ticket counter.

Please note: the “Gift Card or Voucher” box is not the correct place to utilize the provided discount code. That code will have to be applied much earlier when you are adding products to your cart.

You are all set for the slopes! Thank you!
